Amendments to Drawings:

In view of the Examiner's comments on the hook 212, an appropriate correction is submitted on Page 15 hereof and will be formally submitted on allowance. Regarding skirt 210, applicant has corrected that one reference in the specification. In this manner no drawing correction is needed on that point.

FEE STATEMENT

No additional fee is due because the number and type of newly added claims are the same as the number and type of originally presented, but now cancelled claims. Nevertheless, an appropriate authorization to charge or credit the deposit account of applicant's attorney is enclosed in the required duplicate original form -- to be used if necessary.
